protecting your digital cargo

KEY FEATURES & BENEFITS ■ SMALL LATTE ■

latte is your daily essential

Combine style and function with **latte**- a slim, chic shoulder bag, designed to cushion your laptop as you carry it from anywhere to everywhere.

Latte protects your laptop from the inside out. Internally it's surrounded with cushioned felt and high density padding; from the outside it's disguised in a sleek, contemporary shoulder bag.

A zippered pocket has space for a wallet and phone, and other external pockets allow for cables, papers and essentials.

Latte comes in a small size and fits most 13" screens.

cushioned felt lining
high density padding in laptop section
zippered and flat pockets for accessories and essentials
new STM design shoulder padding for carrying comfort
adjustable shoulder strap
